

## FIRST CZECH-RUSSIAN BANK

Dear Clients!

FIRST CZECH-RUSSIAN BANK would like to inform you that there have recently appeared a number of internet sites which imitate web pages of Russian credit institutions and which provide false account information and contact details. Using these account details or engaging in any business relationship with persons responsible, which effectively represent false banks, involves a great deal of risk and may lead to serious consequences.

We would like to remind you that the official website of the FIRST CZECH-RUSSIAN BANK is: <http://www.pchrb.ru>.

Also, in order to prevent the spread of similar negative occurrences, the Bank of Russia has published an official list of company websites, provided to it by the credit institutions: [http://www.cbr.ru/credit/CO\\_sites.asp](http://www.cbr.ru/credit/CO_sites.asp)

Dear, Clients, we kindly ask you to inform us of any false websites of FCRB that you come across.

Best regards,

First Czech-Russian Bank
